ADDENDUM 002
REQUEST FOR BIDS
PLANT MIX OIL MATERIAL
RFB # 2-111209AS

Bidders should acknowledge receipt of Addendum 002 (TWO) by signing and including it with the original bid. The due date for receipt of bids remains unchanged by this Addendum. Accordingly, the following clarifications, questions and answers are believed to be of general interest to all potential Bidders. All other terms and conditions remain unchanged and in full force.

Name and Title of Signer (Print or type)	Name and Title of Department Authority Angela Sutton Intermediate Procurement Agent
Bidder/Offeror Signature	Department of Transportation Angela Sutton
(Signature of person authorized to sign)	(Authorizing Signature)
Date Signed:	Date Signed: December 7, 2011

CLARIFICATIONS:

1) Will MoDot give any consideration to extending completion dates (primarily in the southwest district)? With the moisture limitations given and the time of year that the plant mix oil material will be made it can be difficult to meet spec's due to winter/early spring weather conditions.

   We are intending on placing a considerable amount of mix this year. To be successful, we need to have an amount of mix on location in all of the buildings North of I-44 by April 1st. We tried to adjust these quantities to reflect this desire.

2) We read in the bid package that if it is delivered to a location, it will be dumped where indicated by the engineer. We have had other bidders tell us it will have to be spread? Can you please tell me if some of the product will be required to be spread? (Southwest District)

   The Southwest District does not have any groups requiring roadway delivery.
