Dear *Contractor/Consultant*:

In a letter dated July 11, 2014, we shared information on the potential suspension of bid openings in the coming months and the implementation of cash management procedures by the Federal Highway Administration (FHWA), due to the impending insolvency of the federal Highway Trust Fund.

On July 31, 2014, Congress took action to provide \$10.8 billion to the Highway Trust Fund and extend the current highway act, MAP-21, through May 31, 2015. The President signed the bill on August 8, 2014.

With this extension, MoDOT will not suspend bid openings at this time. FHWA has cancelled the implementation of the cash management procedures. MoDOT will continue to process reimbursement requests on a weekly basis. There will be no delays in payments to cities, counties, contractors or consultants at this time.

If you have questions, please contact me at 573-751-2876.

Sincerely,

Eric Schroeter, P.E.
State Design Engineer

Our mission is to provide a world-class transportation experience that delights our customers and promotes a prosperous Missouri.
