March 7, 2013

Dear Consultant:

The Jefferson County Department of Public Works is requesting the services of a consulting engineering firm to perform the described professional services for the project included on the attached list. If your firm would like to be considered for these consulting services, you may express your interest by responding to the appropriate office, which is indicated on the attachments. Limit your letter of interest to no more than 4 pages. This letter should include any information which might help us in the selection process, such as the persons or team you would assign to each project, the backgrounds of those individuals, and other projects your company has recently completed or are now active.

DBE firms must be listed in the MRCC DBE Directory located on MoDOT's website at www.modot.gov, in order to be counted as participation towards an established DBE Goal. We encourage DBE firms to submit letters of interest as prime consultants for any project they feel can be managed by their firm.

It is required that your firm's Statement of Qualification (RSMo 8.285 through 8.291) and an Affidavit of Compliance with the federal work authorization program along with a copy of your firm's E-Verify Memorandum of Understanding (15 CSR 60-15.020) be submitted with your firm's Letter of Interest. It is also required that your firm be prequalified with MoDOT and listed in MoDOT's Approved Consultant Prequalification List.

We request all letters be received by 4:00 pm, March 29, 2013 at the Jefferson County Department of Public Works, PO Box 100, Hillsboro, Missouri 63050.

Sincerely,

Jason Jonas, P.E.
Director of Public Works

Attachment
