Rodney Schad
Eastern Dist. Commissioner

James Vaughan
Presiding Commissioner

Wayne Kroeschen, Jr
Western Dist. Commissioner

June 3, 2013

Dear Consultant:

Morgan County is requesting the services of a consulting engineering firm to perform the described professional services for the project included on the attached list. If your firm would like to be considered for these consulting services, you may express your interest by responding to the appropriate office, which is indicated on the attachments. Limit your letter of interest to no more than 3 pages. This letter should include any information which might help us in the selection process, such as the persons or team you would assign to each project, the backgrounds of those individuals, and other projects your company has recently completed or are now active.

DBE firms must be listed in the MRCC DBE Directory located on MoDOT's website at www.modot.gov, in order to be counted as participation towards an established DBEGoal. We encourage DBE firms to submit letters of interest as prime consultants for any project they feel can be managed by their firm.

It is required that your firm's Statement of Qualification (RSMo8.285 through 8.291) and an Affidavit of Compliance with the federal work authorization program along with a copy of your firm's E-Verify Memorandum of Understanding (15CSR 60-15.020) be submitted with your firm's Letter of Interest.

We request all letters be received by 10:00 am, (07/03/2013) at Morgan County Courthouse, 100 E Newton, Versailles, Mo 65084.

Sincerely,

James Vaughan
Presiding Commissioner
Morgan County

Attachment

Morgan County	
Federal Aid No.:	BRO-B071 (9) & BRO-B071 (10)
Location:	Potters Ford Road and Harrison Road
Proposed Improvement:	Construction of 2 new bridges replacing bridge no. 0130006 over Flat Creek and bridge no. 2390061 over Straight Fork Creek.
Length:	0.15 mile each
Approximate Construction Cost:	\$475,000 (combined total of 2 new bridges)
DBE Goal Determination	0%
Consultant Services Required:	<p><u>Preliminary Engineering:</u> The design engineering responsibilities may include but are not limited to the following: Preparation of Preliminary and Final Contract plans. As part of preparing the plans the consultant may need to perform surveying, geotechnical investigations, hydraulic studies, inspection of asbestos and lead paint prior to bid opening, right of way acquisition, and provide environmental and historic preservation services/permits including the preparation of PS&E and final documents per the LPA program requirements.</p> <p><u>Construction Engineering:</u> Construction engineering responsibilities include working on behalf of the county during the construction. Engineering services include assisting with preconstruction conference, site inspection, prepare change orders, inspect construction materials, check shop drawings submitted by contractor, conduct construction test and inspection, review contractor pay request, and work with county for all reporting and participate in final inspection including final closeout documentation per the LPA program requirements.</p>
Other Comments:	<i>This advertisement will be for the engineering services for the two (2) bridge replacement locations identified above.</i>
