## **REQUEST FOR QUALIFICATIONS PROFESSIONAL ENGINEERING SERVICES**

The City of Wright City has received funds from the Transportation Enhancement Program through Missouri Department of Transportation. The City of Wright City is soliciting statements of qualifications from qualified engineering firms.

### **Scope of Work /Sidewalks Project Description:**

Design engineering for the construction and reconstruction of up to 3,700 feet of 4 “sidewalk starting at the corner of Elm Street and West North Second-Veteran Memorial Parkway going west along West North Second Street toward Diekroeger Park and east one block along Veterans Memorial Parkway to City Hall. Approximately twenty-three historical lights (same as a previous project) will be installed along the same route as the sidewalk. The sidewalk will be constructed along both city and state right of way. If additional right-of-way is needed the Engineer will provide the city with the necessary information and documentation for the City to acquire the necessary right-of-way. The engineering firm will be expected to advise the City and help in the preparation of documents if needed for any 404 Permits, archaeological investigations and other environmental matters. Engineer will prepare all bidding and construction documents to comply with Missouri and Federal construction regulations. Engineer will review all bids and make recommendation to the Board of Aldermen on the most appropriate bid. During construction, Engineer will coordinate with the City and MoDOT on the inspection of the sidewalk project.

### **Information to be provided to the City must include:**

The specialized experience and technical competence of the firm with respect to concrete sidewalk and street lighting design, construction supervision and inspection, ADA compliance, Transportation Enhancement grant compliance and related work;

The capacity and capability of the firm to perform the work in question, including specialized services, within a period of four months; and,

The past record of performance of the firm with respect to such factors as control of costs, quality of work and ability to meet schedules; and,

The firm’s proximity to and familiarity with the area in which the project is located; and,

References from previous clients involved in related work with the firm within the past five years.

The above information should be submitted no later than July 6, 2009 at 5:00p.m. to Karen Gironde, Economic Developer, City of Wright City, 203 Veterans Memorial Parkway, Wright City, MO 63390. Envelopes should be marked **“Engineering Services Qualifications”** For more information, contact Karen Gironde at 636-745-3101.
