

MoDOT's DBE Entrepreneurship Training Program Graduates

MoDOT's Entrepreneurship Training Program provides direction for growth, capacity expansion, and diversification for DBE firms. This program demonstrates MoDOT's commitment to support DBE firms in achieving success. Since 2007, MoDOT's Entrepreneurship Training Program has enabled almost 100 DBE firms to take their businesses to the next level. The program is based on the Kauffmann foundation's FastTrac® GrowthVenture™ curriculum. More information on these firms can be found on the MRCC DBE Directory.

Disclaimer: The Missouri Regional Certification Committee DBE Database should be checked, routinely, (a) to confirm if a DBE firm has maintained certification and (b) that the DBE is certified in a particular NAICS Code. The three number NAICS codes and the general description provided in the "Entrepreneurship Training Program Graduates" document provides an overview of the scope of work represented by the DBE firms that have participated in the Entrepreneur Training Program. This list does not constitute an endorsement by MoDOT of any firm listed, but is only intended to acknowledge the participation of these firms in MoDOT's Entrepreneurship Training Program.
