Gregory Horn, P.E., Project Director

MRB I-70 Missouri Interchange Project ATC Meeting

An Industry Wide meeting for the I-70 Missouri Interchange project will be held for interested contractors on:

Friday, August 27 from 10:00 to Noon in MoDOT conference room 160,

MoDOT
1590 Woodlake Drive
Chesterfield MO, 63017
(314) 340-4100

This meeting will be to discuss the Alternate Technical Concept process that will be utilized on the MRB Mo. Interchange project J6U1086 scheduled for an April 2011 letting. Contractors will be allowed to register to be an ATC proposer at this meeting.

The preliminary plans are posted on the MRB website at “newriverbridge.org” along with additional information regarding the ATC process.

If you are interested in attending please RSVP to Greg Horn by August 25 at (314) 453-1827 or by e-mail to Gregory.horn@modot.mo.gov.
