SPECIAL NOTICE TO CONTRACTORS

Information Session – Quality Management

February 29, 2012

An information session has been scheduled to discuss a process for Quality Assurance/Quality Control on Design Bid Build highway construction projects called *Quality Management*. This process was developed utilizing what we have experienced as part of our Design Build projects and provides an opportunity for us to improve processes on our Design Bid Build projects as well. The primary intent of this meeting is to discuss the implementation and application of MoDOT's *Quality Management*. This process will be required on several projects throughout the state in upcoming lettings. This information has been shared at previous Information Sessions in the Kansas City District and Southwest District.

An Information meeting has been scheduled for the following date, time and location:

Date: March 12, 2012

Time: 1:00 p.m.

Location: MoDOT
Central Office
105 W. Capitol Avenue
Jefferson City, MO 65102
Commission Hearing Room 100

Sample Quality Management documents can be found at:

http://www.modot.mo.gov/business/contractor_resources/bid_opening_info/bidGenInfo.shtml

Attendance is not required but strongly recommended.

If you have any questions or require additional information, please contact:

Dennis Brucks
Construction & Materials Liaison Engineer
660-385-8270

Our mission is to provide a world-class transportation experience that delights our customers and promotes a prosperous Missouri.
