NOTICE TO CONTRACTORS

Sealed bids for the Proposal for the Construction of St. Clair County Bridge #34800321 BRO-B093(11) Replacement will be received at: St. Clair County Commission, P.O. Box 525, Osceola, MO 64776, until 10:00 o'clock A.M. (Prevailing Local Time) on the 14th day of October, 2015, at the office of the St. Clair County Courthouse, and at that time will be publicly opened and read. All bids shall be submitted as a Hard Copy.

(1) PROPOSED WORK: The proposed work, hereinafter called the work, includes:

Construction of a two-span, 140-foot long pre-stressed NU girder bridge, approach roadway work, and any incidental work in accordance with the plans and specifications. The project is located on County Road 1131, in Section 21, Township 37N, Range 24W, St. Clair County, Missouri, over Weaubleau Creek.

(2) COMPLIANCE WITH CONTRACT PROVISIONS:

The bidder, having examined and being familiar with the local conditions affecting the work, and with the contract, contract documents, including the Missouri Highways and Transportation Commission's "Missouri Standard Specifications for Highway Construction, 2011," and "Missouri Standard Plans for Highway Construction, 2009", their revisions, and the request for bid, including appendices, the special provisions and plans, hereby proposes to furnish all labor, materials, equipment, services, etc., required for the performance and completion of the work. All references are to the Missouri Standard Specifications for Highway Construction, as revised, unless otherwise noted.

The following documents are available on the Missouri Department of Transportation web page at www.modot.mo.gov under "Business with MoDOT" "Standards and Specifications". The effective version shall be determined by the letting date of the project.

General Provisions & Supplemental Specifications

Supplemental Plans to October 2009 Missouri Std. Plans For Highway Construction

These supplemental bidding documents contain all current revisions to the bound printed versions and have important legal consequences. It shall be conclusively presumed that they are in the bidder's possession, and they have been reviewed and used by the bidder in the preparation of any bid submitted on this project.

In the event of a conflict between the above referenced documents, the Job Special Provisions shall have priority, followed in descending priority by the General Special Conditions and the MoDOT Standard Specifications. In the event of a discrepancy between the Job Special Provisions and the plans, the plans shall have precedence.

Please note that within the above-listed documents, the term "Commission" shall be replaced with the term, St. Clair County Commission, and the term "Design Professional" is a reference to the Design Professional of Record from Great River Engineering.

(3) PERIOD OF PERFORMANCE:

If the bid is accepted, the bidder agrees that work shall be diligently prosecuted at such rate and in such manner as, in the judgment of the design professional, is necessary for the completion of the work within the time specified as follows in accordance with Sec 108:

Calendar Days: 120

The computation of time by calendar days will be based on consecutive calendar days beginning on the date that the Contractor starts construction activities, or the authorization date in the Notice to Proceed, whichever is earlier, with no regard to weather, site conditions, holidays, weekends, or seasons.
