MISSOURI SERVICE-DISABLED VETERAN BUSINESS PREFERENCE

By virtue of statutory authority, RSMo 34.074, a preference will be given all contracts for the performance of any job or service to service-disabled veteran business either doing business as Missouri firms, corporations, or individuals; or which maintain Missouri offices or places of business, when the quality of performance promised is equal or better and the price quoted is the same or less or whenever competing bids, in their entirety, are comparable.

Definitions:

Service-Disabled Veteran is defined as any individual who is disabled as certified by the appropriate federal agency responsible for the administration of veterans' affairs.

Service-Disabled Veteran Business is defined as a business concern:

- a. Not less than fifty-one (51) percent of which is owned by one or more service-disabled veterans or, in the case of any publicly owned business, not less than fifty-one (51) percent of the stock of which is owned by one or more service-disabled veterans; and
- b. The management and daily business operations of which are controlled by one or more service-disabled veterans.

If an offeror meets the definitions of a service-disabled veteran and a service-disabled veteran business as defined in 34.074 RSMo and is either doing business as a Missouri firm, corporation, or individual; or maintains a Missouri office or place of business, the offeror **must** provide the following with the proposal in order to receive the Missouri service-disabled veteran business preference over a non-Missouri service-disabled veteran business when the quality of performance promised is equal or better and the price quoted is the same or less or whenever competing proposals, in their entirety, are comparable:

- a. A copy of a letter from the Department of Veterans Affairs (VA), or a copy of the offeror's discharge paper (DD Form 214, Certificate of Release or Discharge from Active Duty) from the branch of service the offeror was in, stating that the offeror has a service-connected disability rating ranging from 0 to 100% disability; and
- b. A completed copy of this exhibit

(NOTE: For ease of evaluation, please attach copy of the above-referenced letter from the VA or a copy of the offeror's discharge paper to this Exhibit.)

By signing below, I certify that I meet the definitions of a service-disabled veteran and a service-disabled veteran business as defined in 34.074 RSMo and that I am either doing business as a Missouri firm, corporation, or individual; or maintain Missouri offices or places of business at the location(s) listed below.

I. REQUIREMENTS

1. Provide building maintenance, repair, renovations, and construction services for (1) service calls and (2) projects. All services shall be performed in accordance with the terms and conditions contained herein.
2. The contractor will receive payment in arrears for satisfactory services and supplies based on actual labor hours worked and supplies installed or consumed.
3. All services shall be performed on an as needed, if needed basis, if requested by the Owner to the sole satisfaction of the Owner.
4. The contractor shall understand and agree that MoDOT cannot guarantee any amount of building maintenance, repair, renovations, and construction services that may be required.
5. Services will be provided at owner's locations within MoDOT's Central District which includes the Missouri counties of Hickory, Polk, Dallas, Laclede, Greene, Webster, Wright, Christian, Douglas, Stone, Taney, and Ozark.
6. The contractor must provide qualified personnel to provide requested services in a manner satisfactory to and acceptable by MoDOT.
7. The Contractor shall provide services for planned projects and service calls on an hourly work basis as requested by the Facilities Operations Supervisor as defined herein:
 - 7.1 **Service Calls:** Occasionally the Owner may need the Contractor to provide one or more building trade workers to assist the Owner's staff on a temporary, hourly basis; however, the Contractor shall understand and agree that the Owner does not guarantee any specific usage of the Contractor's services.
 - 7.2 **Projects:** The Facilities Operations Supervisor may request the Contractor to complete several projects. It is believed that periodic work throughout the entire year will be necessary; however, the Contractor shall understand and agree that the Owner does not guarantee any specific usage of the Contractor's services.
 - 7.2.1 Some projects may require "shop time". Shop Time shall be defined as any work performed off site, and shall be clearly identified for each project in the written work plan submitted by the Contractor. All shop time should be kept to an absolute minimum, and will be approved only when necessary and essential to the completion of a project.
 - 7.3 The Contractor agrees and understands that the contract shall not be construed as an exclusive arrangement and further agrees that the Owner may secure identical and/or similar supplies and services from other sources at anytime in conjunction with or in replacement of supplies and services covered herein.
 - 7.4 The Contractor services may include but may not be limited to: drywall, glazier, painting, roofing, mason, tile setting, caulking, flooring, pouring concrete, wood and metal framing, and finish carpentry.
8. The intent of any price agreement resulting from this Invitation For Bid (IFB) will be for building service projects that are estimated to be less than \$25,000.

II. SERVICE CALLS

1. Service calls are typically spontaneous due to unexpected building failure or newly discovered building deficiencies.
2. Occasionally the Owner may need the Contractor to provide one or more persons to assist the Owner's staff on a temporary, hourly basis; however, the Contractor shall understand and agree that the Owner does not guarantee any specific usage of the Contractor's services.
3. In cases that are identified as an emergency by the Facilities Operations Supervisor or his/her representative, building service response must be within one calendar-day after receiving notification. This response time is required around the clock every day of every year.

III. PROJECTS

1. Projects under this agreement are typically valued at \$25,000 or less.
2. Within ten calendar days after the Facilities Operations Supervisor notifies the Contractor of a project, the Contractor must inspect the job site and present to the Facilities Operations Supervisor a written work plan that contains the following information:
 - 2.1 The type of services necessary to accomplish the proposed project, including any work required off site.
 - 2.2 The estimated number of labor-hours necessary to complete the project.
 - 2.3 A complete list of building materials, supplies and/or tools and equipment, including specialty tools and equipment owned by the Contractor that will be required to complete the project.
 - 2.4 The contractor must provide firm, fixed price for all materials, supplies and/or tools and equipment.
 - 2.5 The list must be presented whether or not the contractor is required to provide some or all of the materials, supplies and/or tools and equipment for the project. Each item(s) supplied costing over one hundred dollars (\$100.00) each must be itemized as a single line item on the contractor's material list.
 - 2.6 A guaranteed not-to-exceed total price for completing the specific project based on the number of hours required to complete the project for each type of service, plus the cost of materials and supplies and/or owned, rented or leased tools and equipment provided based on the Rental Equipment Register or the percentage added to net cost as indicated on the Proposal Form. If shop time (as defined in Section I, 7.2.1) is required, it must be clearly identified in the work plan.
 - 2.7 A firm completion date for the project.
3. Project Estimates: The Owner recognizes that estimates (work Plans) must be considered reimbursable if a project is not carried out. Therefore, the Owner may pay for the cost to prepare estimates at the rate of not more than \$100.00 for each project estimate that is not started within sixty calendar days from the date of the Contractor's written work plan. For projects started within sixty calendar days, the Contractor agrees and understands that costs to prepare estimates will not be paid but will be considered part of the overhead and profit of the Contractor.
4. The Facilities Operations Supervisor reserves the right to accept or reject all or any portion of the Contractor's written work plan. If the Facilities Operations Supervisor accepts the Contractor's written work plan, the Facilities Operations Supervisor will communicate its acceptance by sending to the Contractor written notice to proceed.
5. After receiving written approval to proceed from the Facilities Operations Supervisor, the Contractor shall provide the qualified personnel, tools, and equipment necessary for completing the project and any or all materials and supplies required. Allowance will be made for materials and supplies, lead times, shipping schedules, etc., if needed.
6. The Owner may or may not provide some or all building materials, supplies and/or tools and equipment required to complete the projects. The Contractor shall be required to provide all building materials, supplies and/or tools and equipment required for the projects that the Owner does not provide.
7. The Contractor must guarantee all parts furnished and labor for their installation for a period of one year.
8. Any damage to the building or equipment as a result of defective parts and/or prosecution of the project shall be the responsibility of the Contractor.
9. Each day when coming to work on a project, the contractor must notify the Facilities Operations Supervisor's office or the Project Coordinator's office. Likewise when leaving for the day the contractor must notify the Facilities Operations Supervisor's office or the Project Coordinator's office to notify the Owner of his departure.

10. The contractor will only be compensated for hours actually worked as evidenced by the arrival and departure notification and may be paid for one-way travel to the job site.
11. Building supplies that are provided by the contractor shall be invoiced on a cost plus markup basis as bid on the pricing page herein.
12. The Contractor shall agree and understand that the Facilities Operations Supervisor may make changes in the scope of a project (size, configuration, etc.) prior to and during the Contractor's work on the project. When the Facilities Operations Supervisor notifies the Contractor of such changes, the Contractor must submit a written change order request to the Facilities Operations Supervisor if there are any changes (in the types of services, the number of man-hours of each type of service, the building materials and supplies, the guaranteed not-to-exceed price, and/or the time frames for completion of the service project) from the Contractor's approved work plan as a result of the Facilities Operations Supervisor's changes in the scope of the project. The Contractor must again receive the Facilities Operations Supervisor's written approval to proceed with the changes specified in the change order before deviations from the Contractor's approved work plan on that particular project shall be allowed.
13. The Owner reserves the right to require the Contractor to provide operations manuals, as built drawings, equipment warranties, etc., upon completion of each project.

IV. AGREEMENT - GENERAL

1. Binding agreements shall consist of: (1) this IFB and any amendments thereto, (2) the contractor's response (bid) to the IFB, (3) clarification of the bid, if any, and (4) MoDOT's acceptance of the bid by letter. All Exhibits and Attachments included in this IFB shall be incorporated into the final price agreement by reference.

3. The agreement expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein.
4. Any change to the agreement, whether by modification and/or supplementation, must be accomplished by a formal change order signed and approved by and between the duly authorized representative of the contractor and MoDOT or by a field work-order prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence from MoDOT, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the agreement.
5. The price agreement shall remain in effect through **August 2010** and may be renewed for up to two, one-year periods if agreed upon by MoDOT and the contractor. If extended, all terms and conditions, requirements, and pricing, of the contract shall remain the same and apply during the renewal period.
