October 9, 2009

**Addendum No. 001
9-091016**

To: Plans and Specifications Holders List for:

**Missouri Department of Transportation –
District – 3, Radio Tower, Hannibal, Missouri**

Bid opening date/time: October 16, 2009 at 3:00 PM Local Time.

Specification Clarification:

1. Waveguide Bridge: Contractor must provide and install necessary waveguide bridge to extend from the base of the tower to the building.
2. Freestanding Tower: All references to things that are required for a guided tower are hereby omitted. This solicitation is for a freestanding tower.
3. Fence: The fence shall allow for a 4' distance between the base and the fence line on all sides with a 36" (+/-) walk-in gate.
4. Fence Grounding: Install grounds on all corner posts and gate posts using exothermic welds and No. 2 tinned copper wire or as required by industry standard or applicable code.
5. Demolition shall be accomplished after the new tower is erected and in service.
6. Contractor to provide owner with grounding and line sweep test results prior to final acceptance.
