**Missouri Department of Transportation:  
District – 9, Time and Material, Electrical Service, South Central Missouri Area Locations**

BID OPENING DATE AND TIME IS CHANGED TO FEBRUARY 22, 2011 AT 3:00 P.M. LOCAL TIME.

Price Agreement Period: The resulting Price Agreement will remain in effect through March 31, 2012. If agreed, the Price Agreement may be extended for up to two, one-year periods. If extended, all terms and conditions, requirements, and pricing shall remain the same and apply during the renewal period.

*Paragraph 4 of the Price Control Requirement* should be corrected as follows.

Not To Exceed Total. A total Not To Exceed (NTE) amount must be agreed upon for each project. Under this arrangement, the contractor can charge for its labor and materials up to a certain maximum. If the time and materials costs exceed that maximum, the contractor charges ~~you~~ the NTE amount and assumes the excessive costs.
