General Information: MoDOT will pay for and provide to the awarded Contractor a building permit issued by the City of Warrenton for this project. Any other building related fees/permits will be the Contractors responsibility to include utility and tap fees.

Vendor Question: Is the Contractor required to provide stamped drawings for this building project?  
Answer: The Contractor is only required to provide stamped *truss* drawings meeting MoDOT's specifications.

Vendor Question: Can umbrella limits be used to meet the insurance requirements?  
Answer: YES. Contractors typically purchase \$1,000,000 of insurance coverage for both General Liability and Auto Liability and then purchase a \$2,000,000 umbrella policy to meet the MoDOT requirements for insurance coverage (See requirements below).

- 1) General Liability: Not less than \$500,000 for any one person in a single accident or occurrence, and not less than **\$3,000,000** for all claims arising out of a single occurrence;
- 2) Automobile Liability: Not less than \$500,000 for any one person in a single accident or occurrence, and not less than **\$3,000,000** for all claims arising out of a single occurrence;
- 3) Missouri State Workmen's Compensation policy or equivalent in accordance with state law.

Upon request from the Commission, the Contractor shall provide the Commission with certificates of insurance evidencing the required coverage and that such insurance is in effect.
