Questions and Answers

1. Regarding the Northwest and Southwest areas, if I would take those districts on but the location was not conducive for travel, could I refer those properties to other real estate agents within that selected area not working for MoDOT?

Yes, you can respond to the RFP for the NW and SW Districts and refer properties to local agents.

2. Can you give us some idea of the magnitude of this project? It will certainly have a bearing on the cost to sell these properties.

Types of properties to be listed with Brokers may mirror those currently being marketed for sale by MoDOT. Examples can be found at the following link:

All other terms and conditions remain unchanged and in full force.
