SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: **Automated Flagger Assistance Devices– SFS 7-090528FR**
Third (3rd) Renewal

Description: The Missouri Department of Transportation has determined that only one source, Intellistrobe Safety Systems, Springfield, MO, can provide the Department with sets of Automated Flagger Assistance Devices, W1-AG, along with other parts and accessories for these devices, as determined by MoDOT to be necessary to the continued safe and up-to-date operation of these devices. The approximate value of these devices may exceed \$14,999 per set. The sets shall consist of two portable, self-contained, Red/Yellow Lens AFADs, each with its own traffic-actuated alarm, and a single, wireless, hand-held controller. Design and operations of the units shall comply with the technical provisions set forth in Federal Highway Administration's (FHWA's) Interim Approval memorandum 1A-4R. In addition, the units shall be accepted as crashworthy, per NCHRP 350 Evaluation Criteria, by FHWA.

Other items that may also to be provided by the vendor are dedicated transport trailers, model WTT, to secure the heads of the systems while in transport. In addition, the vendor will also supply other parts and accessories for these trailers, as determined by MoDOT to be necessary to the continued safe and up-to-date operation of these trailers. Estimated cost of these transport trailers may exceed \$2,499 each.
