SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: SFS 7-141230TV
Visigun Highway Safety Marking Sphere Dispenser

Description: The Missouri Department of Transportation has determined that only one source, Potters Industries Inc., Valley Forge, PA, can provide the department with Visigun Highway Safety Marking Sphere Dispensers and accessories. This product is approved by the MoDOT Traffic Division. MoDOT wants to apply 12 lbs of MoDOT Type L large glass beads (ASTM Type 3 equivalent) per gallon of paint. For a 6" line at 20 mils this is 33 gallons of Second Generation Waterborne paint per mile. Dispenser will require easy flow adjustment with readily accessible volume control to allow for accurate and easy bead flow calibration. Gravity-drop glass bead dispenser that can operate on either a gravity fed or pressure fed system. Dispenser will be mounted on a striper directly behind the paint gun.

Contract Period: January 2, 2015 to June 1, 2015 (No renewal options)
