

ADDENDUM 002

Request for Bid: NW-12-075

The due date for receipt of bids remains unchanged by this Addendum. Accordingly, the following changes, questions and answers are believed to be of general interest to all potential Offerors. The original solicitation is hereby changed to the extent stated in the department's response to each question on the attached pages of this amendment 001. All other terms and conditions remain unchanged and in full force. Please sign and return with your bid.

Name and Title of Signer (Print or type)	Name and Title of Department Authority Darrel Butcher, CPPB Senior Procurement Agent
Contractor/Offeror Signature (Signature of person authorized to sign)	Department of Transportation <i>Darrel Butcher, CPPB</i> (Authorizing Signature)
Date Signed:	Date Signed: 01/25/2012

Addition:

- 1. Please note the following changes which have taken place on bid request# NW-12-075.**
- 2. Bids will be accepted for the two different locations individually and may be awarded individually per address with no discounts. Please see the new attached (front page) bid request sheet contained in this addendum. This will take the place of the original to price by and sign off on.**
- 3. Contractor(s) will be required to have all proper disposal identification for the old tank(s) identified in the bid spec.**
- 4. If awarded as such, Notice to Proceed for both tanks will run consecutively.**

- 5. Contractor(s) will provide crane for delivering and unloading/setting fuel tank(s).**
- 6. MoDOT will be responsible for removing any existing fuel in fuel tanks and will provide all electrical hook-ups in coordination with the contractor(s).**
- 7. Contractor(s) will provide all disconnects and new connections of all fuel piping and venting.**
- 8. Each tank will be equipped with two (2) 8" emergency vents, not the 6" ones as requested in the original requirements. Other vents are (3) 4" and (3) 2" as required in existing specifications.**
- 9. Contractor(s) will be responsible for a fully functioning system at each location after all hook-ups have been completed.**
