**ADDENDUM 001  
Request For Quotation (RFQ) # NE12-31Q-R2  
Backhoe Tires**

Bidders shall acknowledge receipt of Addendum 001 by signing and returning this form with their quotation. Accordingly, the following information is believed to be of general interest to all potential vendors. All other terms and conditions remain unchanged and in full force.

Name and Title of Signer (Print or type)	Name and Title of Department Authority  William D. "Bill" Noyes, CPPO, CPPB Senior Procurement Agent
Bidder	Missouri Department of Transportation
(Signature of person submitting response)	<u>William D. Noyes</u> (Authorizing Signature)
Date Signed:	Date Signed: November 18, 2011

**NOTE: This signed addendum MUST be included with your response to the RFQ.**

Since issuing the original RFQ, we have learned that radial tires are not available (or at least not readily available, if at all) for the size of tire requested. So, we are issuing this addendum to allow for bias tires and to update the tire description field on the RFQ document.

Therefore we have modified Page 1 of 6 of the RFQ document (attached). Use this revised page to submit your RFQ response (along with the other pages from the original document).

The RFQ response deadline of today, Friday, November 18, 2011 at 1:00 PM has been changed to Tuesday, November 22, 2011 at 1:00 PM.

If you have any questions, please contact me at (660)-385-8245. Thank you.
