## ADDENDUM 001 REQUEST FOR BID (RFB) NUMBER: NE12-53B-R2

The following notes are believed to be of general interest to all potential vendors.

1. The following section on page 1 of the original RFB document has been modified to change the deadline by which monthly pricing revisions must be submitted, from the last Monday of the month to the last Tuesday of the month. This will allow vendor's time to submit changes after MoDOT posts the monthly asphalt index each month.

A) Initial bids submitted by the response deadline detailed herein shall be firm through the month of April 2012. Then, vendors may elect to submit revised pricing, due to extreme market fluctuations during this period, by providing the MoDOT Northeast District Procurement Office in Macon, MO., with revised pricing (either by fax to 660-385-1707 or via US Mail) on or before the last Tuesday of the month. It is the vendor's responsibility to monitor this deadline each month, so your company does not miss a chance to change prices as needed. Any revised bid pricing submitted before the last Monday of each month will go into effect the first day of the following month. For example: Revised bid pricing submitted before Tuesday, April 24<sup>th</sup>, 2012, would go into effect on Tuesday, May 1<sup>st</sup>, 2012). Revised bid pricing will remain firm and in effect for the remainder of 2012 or until changed by a future revision.

2. All other requirements and details of the RFB remain unchanged.
