## ADDENDUM 001 REQUEST FOR BID (RFB) NUMBER: NE12-56B-R2

The following notes are believed to be of general interest to all potential vendors.

1. The RFB document includes the following requirement:

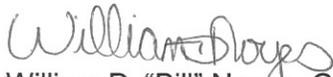

MoDOT is seeking bids from vendors who can provide dirty cinder materials to the various maintenance buildings listed herein. Bid pricing submitted should include the cost of cinder materials and delivery. **Dirty Cinders Specification:** Wet Bottom Boiler Slag, Black in color, Equal to cinders from Thomas Hill Power Plant or Labadie (Eco-Sand). All cinders shall meet the approval of MoDOT Engineers.

To assist vendors in contacting potential sources of supply for these materials, I am providing the following information:
