BID NOTES:

Environmental fees and/or surcharges will not be accepted on any bid. These types of fees were to be buffered into the unit pricing. Pricing is “per ton” and firm for calendar year 2012, except in the following cases:

A) Initial bids submitted shall be firm through the month of April 2012. Then, **vendors may elect to submit revised pricing, due to extreme market fluctuations**, by providing the MoDOT Northeast District Procurement Office in Macon, MO., with revised pricing (either by fax to 660-385-1707 or via US Mail) **on or before the last Tuesday of the month**. It is the vendor’s responsibility to monitor this deadline each month. Any revised bid pricing submitted before the last Tuesday of each month will go into effect the first day of the following month. For example: Revised bid pricing submitted before Tuesday, April 24th, 2012, would go into effect on Tuesday, May 1st, 2012). Revised bid pricing will remain firm and in effect for the remainder of 2012 or until changed by a future revision.

B) If a “New Plant or Mobile Plant” is established during the period of this agreement, which would allow MoDOT immediate access to a product, the vendor will be allowed to establish a bid price on the spot, instead of waiting for the normal revision period at the last Monday of the month. When this occurs, contact the MoDOT Northeast District Procurement Office, to establish bid pricing for the new or mobile plant when it becomes operational.

APAC-Missouri submitted a “No Bid” response, but requested to be kept on the bidder’s list for notification of future opportunities.

Notification of the online posting of this solicitation was also sent to Carter-Waters, G&M Asphalt, and Vance Brothers, but no responses were received from these vendors. Notification was also sent to the State of Missouri Office of Administration’s Office of Equal Opportunity (OA OEO).
