## SINGLE FEASIBLE SOURCE POSTING

**The Missouri Department of Transportation has determined there is only one feasible source which can provide the described products or services to the Northeast District.**

**Title:** Facility Security Systems Procurement File # NE12-67S-R2

**Description:** MoDOT has determined that Stanley Security Solutions, is the single feasible source for the Northeast District for facility security systems. MoDOT currently has Stanley/Best systems installed in all our facilities and needs to stay with this single feasible source provider to ensure consistency in these systems across the district. We will use this posting for the as needed purchase of any necessary hardware, software, maintenance agreements, or training related to these systems during the contract period. The vendor will submit individual pricing proposals for materials or services when requested. MoDOT will have the right to accept or reject any pricing proposals received.
