Completion Time:			4 days	24-48 hours	2 days	3 days

* The Traveling Sandblaster is new vendor that met all qualifications, but misread the RFQ documents and the quote price submitted was mistakenly for one tank, not two, as designated and required in the scope of work. The vendor withdrew their quote from consideration on December 15, 2014.

Heritage-Crystal Clean submitted a "No Quote" response (this type project is beyond their scope of work). Notification of the online posting of this solicitation was also sent to Envirovac Waste Transport Systems, NPN Environmental, and Valley Environmental Services, but no responses were received from these vendors. Notification was also sent to the State of Missouri Office of Administration's Office of Equal Opportunity (OA OEO).
