\* Both vendors noted on their responses that MoDOT would be responsible for securing private property easements so there is room for boring work to be accomplished. Additional area outside of the right of way (up to 60' on both sides) may be required for materials & equipment at each job site.

Smoyer Trenching & Cable, Inc., submitted a "No Bid" response. Notification of the online posting of this solicitation was also sent to Hurk Underground Technologies, ISCO Pipe, and Sellenriek Construction, but no responses were received from these vendors. Notification was also sent to the State of Missouri Office of Administration's Office of Equal Opportunity (OA OEO).
