SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

- Title:** Coal Slag Materials (Cinders) – KC-7-S12-022
- Description:** MoDOT has determined that Harsco Minerals controls the distribution of Coal Slag Materials (Cinders) that are a by-product of electrical generation activities at both Thomas Hill and La Cygne Power Plant(s). These materials come in two forms: clean/washed cinders and dirty cinders. MoDOT will use materials from this supplier, as needed during the contract period for various projects. The supplier will submit individual pricing proposals for materials when requested. MoDOT will have the right to accept or reject any pricing proposals received.
- Contract Period:** December 1, 2012 through September 30, 2013
- Renewal Options:** Up to three (3) one-year extensions, if agreed to by all parties.
- Agency:** Missouri Department of Transportation
- Supplier:** Harsco Minerals
