Re: Addendum 03- Dump Body Beds – RFB D5-11-059B

Dear Bidders:

Please note that this addendum letter is to inform all potential bidders that the bid opening for 'Dump Truck Body' replacement beds will remain on September 13, 2011, 1:00 PM CDST.

MoDOT is currently reviewed the current specifications to see if alternative or modified specifications need to be allowed. The specifications will remain in place as originally listed. The only changes are noted as follows:

Item 1, 2 and 3, Sections: General and 14.b:

The rear corner post (boxed area) may remain open on the underside allowing for the concealing of wire runs. A 1" in diameter hole, free of burrs and grommets may be cut in the side facing the 'free standing light box' to allow for such passage of wiring into the 'light box.'

If you have submitted a bid, please note you will be able to submit any change to your bid prior to the sealed bid opening. All bids must be sealed and received by 1:00 PM CDST, September 13, 2011.

If you have any further questions, please call. I appreciate your understanding.

Thank you!

Corey Duemmle, D5 General Services  
(573) 526-6956

Please sign below indicating acknowledgement of this addendum.
