Honse Welding & Fabrication, Inc.	\$2,700.00	\$2,700.00	\$2,700.00	\$180.00	\$100.00	0%	0%	0%
Rackers Manufacturing**	\$3,150.00	\$3,450.00	\$3,699.00	Per request	Per request	10%	10%	10%
Hoover Welding	\$2,188.00	\$2,582.00	\$2,717.00	\$50.00	\$250.00	10%	20%	30%

****This bid tabulation is not awarded to any one vendor. These prices are established for an 'Open Price Agreement.'**

** Delivery Cost' is based on a per stand basis per 100 miles*

***Substituting with 5" channel that has same load rating with less deflection as per structural steel tables; minimum order of 5 units*

****Based on minimum order of 5 stands; all measurements must be attainable in JC, MO.*

Harold G. Butzer, Inc.
Mark Reuter
721/730 Wicker Lane
Jefferson City, MO 65109
573-636-4115
markr@hgbutzer.com
Cooperative: YES

Method of Cutting Material
Plasma, Band and Chop Saw

Welding Certifications
Ansi/AWS Welding Certificates

Honse Welding & Fabrication, Inc.
Jeff Honse
P.O. Box 853
Belle, MO 65013
573-859-
573-859-3677
573-619-0027
honses72@yahoo.com
Cooperative: YES

Method of Cutting Material
Shear, plasma cutter and sawing
Welding Certifications
Structural Steel fabrication, leak proof tanks, and high pressure piping

Rackers Manufacturing, Inc.
Matthew McKinzie
405 Industrial Rd.
California, MO. 65018
573-796-3211
573-796-4579
rmfgmail@aol.com
Cooperative: YES

Method of Cutting Material
Automated Plasma Cutter
Welding Certifications
AWS D1.1 certification; fabrication performed in accordance with AISC parameters

B&G Repair LLC
B.L. McAninch
515 W. Washington
Marshfield, MO. 65706
417-859-4553 ph
417-839-6797 cell
