## SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

**Title:** BlinkSynk/Radar system with LED lighting Chevrons  
(D5-11-036SFS)

**Description:** The Missouri Department of Transportation, Central District Traffic Division, has determined that only TAPCO (Traffic & Parking Control Co.) the Missouri distributor, can provide the department with the BlinkSync technology. This system uses a radar to capture vehicle speed that triggers Chevron signs to blink in unison. Each Chevron sign is equipped with 10 LED lights. Below are the specifications. Purchases will not exceed \$25,000 cumulatively.
