Re: Asphalt Shingles

Dear Bidders:

All bids in regard to Bid # CD-14-019Q have been rejected based on the pounds per square specification.

At this time we will be re-bidding with one specification changing. All specifications will remain the same except, the new specification calls for a shingle that will weigh no less than 210 lbs. per square.

When submitting your bid please use the new Request for Quote sheet that is numbered CD-14-026Q.

Also when submitting include the following:

- 1) the duration of the shingle
- 2) the lbs per square
- 3) the shingle manufacturer

Failure to do so could consider your bid to be incomplete.

If you have any further questions, please call. I appreciate your understanding.

Thank you!

Derek VanLoo, Central District, General Services
(573) 526-6956
