SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: SFS 7-150422RW
FWD Repairs, Software Upgrade and Calibration

Description: The Missouri Department of Transportation, Construction Materials Division, has determined that only one source, Dynatest Group, Starke, FL, can provide the on-site services for the Falling Weight Deflectometer (FWD) at our MoDOT location in Jefferson City, MO. The specialized piece of testing equipment's proximity sensors, guide roller shims and weight guide roller bearings are among those components in need of repair and replacement due to age and heavy use. A software update will be provided along with one year of unlimited troubleshooting to answer potential questions regarding the new software. Calibration of the unit will take place following the repairs and software update.
