## SINGLE FEASIBLE SOURCE PURCHASING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

**Title:** SSI SILSPEC 1000 REPAIR MORTAR  
(CD-12-017SFS)

**Description:** The Missouri Department of Transportation, Central District Bridge Division, has determined that only Goedecke Co. manufacturer of SSI SILSPEC 1000 is the only manufacturer/distributor that can provide this special low-temperature mortar application.. It is a sole source due to its major advantages of low-temperature application and fast turnaround compared to other products. It can be successfully applied at temperatures between 60 degrees F and 10 degrees F. It cures hard in 60 minutes at 60 degrees F and 90 minutes at 10 degrees F (allowing flow of traffic to resume quickly.) It is unique in its ability to produce a semi-flexible impact, abrasion, and weather-resistant polymer mortar at low temperatures. Ideal for bridge joint expansion joint nosing repair and for spall repair of pavements or bridges when the road must be re-opened quickly.

Purchases will not exceed \$24,999.99 accumulatively.

**Contract Period:** Date of award through August 31, 2012.

**Renewal Options:** One (1) year renewal upon agreement of both parties not exceeding \$24,999.99.

**Agency:** Missouri Department of Transportation, Central District

**Supplier:** Goedecke Co., 812 E. Taylor Avenue, St. Louis, MO. 63147

**Buyer:** Corey Duemmel

**Phone Number:** 573-526-6956

**E-Mail:** [corey.duemmel@modot.mo.gov](mailto:corey.duemmel@modot.mo.gov)

**Posting Date:** 12/27/11

**Response Date:** 12/30/11, 10:00 am CST
