The Contractor shall furnish the Missouri Department of Transportation with a planned delivery schedule at least 24 hours before starting delivery. Notification should be during the normal workday preceding the day on which the Contractor desires to initiate delivery. It will be necessary for a representative of the Missouri Department of Transportation to be present when the material is delivered.

During construction/maintenance seasons, many maintenance buildings work 4-10 shifts and deliveries cannot be made on the "off" days for those buildings. **The Atlanta Maintenance Buildings work hours are Monday through Thursday, 6:30 AM to 5:00 PM.** Please plan for delivery to be made during these days/hours. Note: There are no deliveries on Monday, September 7, 2009, as the department will be closed for the Labor Day holiday.
