QUOTATION TABULATION

General Services
(Procurement) Division

Thank you for your response to our Request for Quotation # D210-007-R2. For your information, the following is a tabulation of all responses which were received. This quotation was awarded to: **Scotwood Industries, Inc.**. If you have any questions, please contact me at the address/phone number shown above. Buyer: William D. "Bill" Noyes, CPPO, CPPB, Senior Procurement Agent

Quantity	U/M	Description	Scotwood Industries	Heffron Services, Inc.	Dale Brothers
12,000	Gallons	Dust Control Materials Delivered & Applied	\$0.895 per gallon	\$0.965 per gallon	\$2.03 per gallon *
TOTAL COST:			\$10,740.00	\$11,580.00	\$12,180.00 *

* Dale Brothers quoted an alternate product, "DuraBlend", which has an application rate of 0.25 gallons per square yard versus the 0.5 gallons per square yard application rate referenced in the RFQ scope of work for other magnesium chloride products. Therefore, the total cost shown above is based upon using 6,000 gallons of material instead of 12,000 gallons. This product is supplied by Envirotech Services, Inc., who was provided notification of this RFQ opportunity, but did not respond directly and instead quoted their product to Dale Brothers who responded on their behalf.

Notification of this posting of this RFQ opportunity was also provided to Brazos Industrial Supply and Texas Mag, but no responses were received from these vendors.
