SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: Screening Bucket
7-071129

Description: The Missouri Department of Transportation has determined that only one source; National Attachments of Gorham, ME can supply the REMU Screening Bucket. The REMU screening bucket is the only screening bucket with aerating blades capable of repelling large objects instead of trying to crush thus eliminating power requirements of the machinery. This equipment is necessary for MoDOT's "Pilot Program" to assist with the compliance of the environmental regulations regarding collection and separation of debris. Purchases for this equipment is estimated to be \$42,450 plus associated costs per bucket, a minimum of 1 bucket, not to exceed five buckets is anticipated to be purchased.
