American Equipment Company submitted a response, but on a different make/model of plow than was detailed and requested in the RFQ. The quotation submitted was on a Boss 9' Super Duty XT Straight Blade at a cost of \$3,168.00 for each plow plus \$128.00 for each curb guard (\$15,840.00 + \$1,280.00 = \$17,120.00). The specification information and other data provided by the vendor for this model was given to Darin Biegel, MoDOT District 2 Mechanics Supervisor, for evaluation. However, this quotation could not be considered since the language of this RFQ did not allow for the inclusion of alternate makes/models of snowplows.

Notification of the online posting of this RFQ opportunity was also sent to GM Supply Company, but no response was received.
