Item # 9 Options

- 1) Extended Warranty

Item # 10 Options

- 1) Extended Warranty

Item # 11 Options

- 1) Pneumatic aircraft take off tires, minimum 18 ply with new rib retread cap (in lieu of laminated tires)
- 2) Main deck suspension shall be a walking beam type rear tire suspension. It will be designed to reduce scalping when entering approaches and to keep the mower deck from excess wear from dropping into ruts. The walking axles will be positioned as far forward as possible to best control cutter height over uneven grounds. The walking beam is limited in oscillation so that one wheel would be on high ground most of the time (in lieu of the standard wheel design that was specified).
- 3) Bondioli driveline components to include driveshafts, clutches and gear boxes (in lieu of the driveline components in the specification). Three-year warranty.
- 4) Extended Warranty
- 5) Hydraulic batwing option (In order to add this option the following items need to be included:
 - a) The addition of hydraulic motors and hoses in lieu of gear boxes and drive shafts on the top of the deck,
 - b) The addition of a speed increaser, and
 - c) An independent hydraulic reservoir and independent hydraulic system will be need to be added.
(No tractor hydraulics will be utilized.)
