## SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

**Title:** Trailer Mounted Sewer Cleaner  
7-090501

**Description:** The Missouri Department of Transportation, General Services – Fleet, has determined that only one source, Key Equipment, Kansas City, KS, can furnish the department with an used 2007 demo unit containing only 60 hours of an trailer mounted Ram Vac 3600CM Combination sewer cleaner. It has been determined that this trailer vacuum/jetted mounted sewer cleaner with the proper capacities can save thousands of dollars by eliminating the need to purchase and service another cab/chassis. The design of this trailer unit is unique in both its design and it function. The 3,000 cfm, blower 40/200-water pump; 600-gallon debris tank and 600-gallon water tank supply the operator with the capacities to address job applications that smaller units would not successfully complete. Purchase relating to this item will not exceed \$139,955.00 and may be made after May 1, 2009 and no later than June 15, 2009. A purchase order in the amount of \$139,955.00 may be issued to Key Equipment, Kansas City, KS, on May 1, 2009 for the above-described equipment, along with all the other parts, supplies, support, labor and extended warranty to make this equipment perform to MoDOT requirements and specifications.

**Contract Period:** May 1, 2009 to June 15, 2009

**Renewal Options:** Two one-year extensions may be offered for new units of the same Make and Model
