

The Future of Route 63

Major North/South Corridor Across Missouri

- Major north/south statewide corridor
- Connects interstate system – I-70 and I-44
- Connects interstate system to State Capital
- Provides connection to state universities (University of Missouri – Columbia, Missouri University of Science & Technology, Lincoln University, Truman State)
- Improvements to Route 63 are already planned or completed between Kirksville and Rolla with the exception of the study area.
