Hi. This is Sally Oxenhandler with your MoDOT Minute.

MoDOT has updated its website to reflect its new organizational structure, which includes consolidating its former 10 regional districts into seven. If you are a frequent visitor to the site, a Facebook fan, Twitter follower, YouTube viewer or use the department's e-update system, be sure to update your bookmarks and e-update preferences. Michelle Teel of Fulton is the new head of MoDOT's Multimodal Division. Teel has worked for MoDOT for more than 15 years, most recently as the Local Programs Administrator and the assistant director of the Motor Carrier Services Division. In her new capacity, Teel will oversee the division responsible for administering state and federal programs that support aviation, railroads, transit, waterways and freight development.

That's been your MoDOT Minute. Remember to check back every week for new information.
