

MoDOT Minute – Nov. 16, 2010

Hi. This is Sally Oxenhandler with your MoDOT Minute.

This holiday season, the Missouri Coalition for Roadway Safety is reminding Missourians impaired driving leaves a human toll of lost lives, grief-stricken families, and injuries that never go away. The coalition is urging everyone to drive sober, call a cab or designate a driver. A special remembrance page called the “Human Toll” has been created on Facebook. Located at [facebook.com/humantoll](https://facebook.com/humantoll), the page allows people to post stories about the effects of impaired driving in hopes that others will be spared. In addition, law enforcement will be increased from Dec. 6-12. For more information, visit [www.savemolives.com](http://www.savemolives.com)

MoDOT has received a \$210,000 federal grant to help the Columbia, Joplin and Waynesville regional airports market their services. The goal is to increase passenger numbers.

That’s been your MoDOT Minute. Remember to check back every week for new information.
