

MoDOT Minute – Sept. 13, 2011

Hi. This is Sally Oxenhandler with your MoDOT Minute.

MoDOT is working to get flooded roads in northwest Missouri open to traffic. MoDOT crews have begun repairing Route 136 in Atchison County. The department is also moving forward with contracting emergency repairs to Route 59 in Buchanan County and Route 136 in Atchison County.

Ford Driving Skills for Life has donated \$20,000 worth of iTunes cards to be used as rewards for schools that participate in this year's Battle of the Belt Challenge. The challenge involves an unannounced safety belt survey of students, followed by an educational blitz, with a final surprise safety belt survey to see if more teens are buckling up. More information is available at www.savemolives.com.

And drivers will see more law enforcement officers on Interstate 44 from Sept. 17 to Sept. 18. Extra enforcement will span across Missouri as part of the Heat is On campaign.

That's been your MoDOT Minute. Remember to check back every week for new information.
