

MoDOT Minute – Sept. 14, 2010

Hi. This is Sally Oxenhandler with your MoDOT Minute.

The Interstate 64 reconstruction project in St. Louis is a top ten finalist for the 2010 America's Transportation Award. The I-64 project was the largest highway improvement in Missouri history, yet reopened one month early and \$11 million under budget. The project is also in the running for the people's choice award. You can vote at www.modot.org.

During Child Passenger Safety Week, Sept. 19-25, parents and other caregivers can join in a Twitter Party and find out from experts how best to protect their kids. Certified car seat technicians will answer any question tweeted to #savemokids via Twitter.com from 1-3 p.m. on Sept. 23. In addition, on-site car seat checks will be offered throughout Missouri on Sept. 25. A list of locations can be found at saveMOlives.com.

That's been your MoDOT Minute. Remember to check back every Tuesday for new information.
