

Hi, this is Sally Oxenhandler with your MoDOT Minute.

Just about everything you ever wanted to know about MoDOT's economic recovery projects can be found on the department's Web site - modot.org. The department is posting a host of reports to keep you informed, including a weekly briefing and monthly summary. So far, MoDOT has awarded 37 economic stimulus projects totaling about \$90 million.

MoDOT continues to benefit from strong competition for construction jobs. For the year to date, the agency has bid 346 projects totaling \$803 million. The projects have come in more than \$100 million under budget.

Work on 20 bridges included in MoDOT's Safe & Sound Bridge Improvement Program is under way. On April 23, the agency will celebrate the first bridge to be completed under the program. That bridge is located on Route AA near Halfway, Missouri.

That's been your MoDOT Minute. Remember to check back every Tuesday for new information.
