

MoDOT On The Move in Chariton County

What We've Been Doing

Safe & Sound Bridge Program - Two Bridges Replaced

- ◆ Route 11 over Burlington Northern Santa Fe Railroad
- ◆ Route P over Puzzle Creek

Local Maintenance Crews patched more than 90 miles of roadway and sealed 7 miles of roadway in 2012.

Pothole Patrol - More than 40,000 potholes filled in Northwest Missouri to make roads smoother and safer.

Striping - Major roads were striped by Memorial Day.

Mowing - Major roadsides were mowed before Memorial Day and Independence Day.

Where We're Going

On The Move - gathering input from citizens to create the long-range transportation plan for Missouri and ensure your thoughts are heard and included.
