

# MoDOT On The Move in Linn County

## What We've Been Doing

### Construction Projects

- ◆ Route 129 one-inch contract level course from Route 11 to U.S. Hwy 36 near Bucklin
- ◆ Route 139 Chip Seal from the Sullivan County line to Route B

### Safe & Sound Bridge Program Two Bridges Replaced

- ◆ Route DD over Parsons Creek
- ◆ Route E over Big Muddy Creek

**Local Maintenance Crews** patched more than 120 miles of roadway and sealed 5 miles of roadway in 2012.

**Pothole Patrol** - More than 40,000 potholes filled in Northwest Missouri to make roads smoother and safer.

**Striping** - Major roads were striped by Memorial Day.

**Mowing** - Major roadsides were mowed before Memorial Day and Independence Day.

## Where We're Going

**On The Move** - gathering input from citizens to create the long-range transportation plan for Missouri and ensure your thoughts are heard and included.

Visit [www.missourionthefirstmove.org](http://www.missourionthefirstmove.org) to learn more and to add your voice to the conversation.

**Upcoming Planned Projects** - *schedules and project details are subject to change*

- ◆ Route 129 - 2014 - Sidewalk improvements in the towns of New Boston and Bucklin
- ◆ Two Bridge Replacements - 2014 -
  - Clark Branch Bridge on Route WW west of Route ZZ near Marceline
  - Locust Creek Bridge on Route B west of Linneus

- ◆ 4 miles of pavement sealing - 2013 - Route 11
- ◆ 69 miles of patching - 2013 - Routes 139, M, C, W, EE, Y, DD and TT
