ADDENDUM 03
REQUEST FOR QUALIFICATIONS
For
The Bridge Improvement Program
Design-Build Project
November 6, 2006

This addendum is to inform that **Form 1- Major Participant Information** has been revised. Additional language has been added to this form, exempting a Submitter's Financial Partner from the requirement of MoDOT prequalification, and now reads as follows:

Under penalty of perjury, I certify that:

- I am the company's Official Representative;
- The company is either pre-qualified to perform work as a consultant or contractor for MoDOT or is able to obtain prequalification status prior to submitting a Proposal **(Does not apply to Submitter's Financial Partner)**;
- To the best of my knowledge and belief, following reasonable inquiry, the information submitted in this SOQ is true and correct.

The newly revised Form 1 is available via email upon request, or can be downloaded from the Safe and Sound webpage at: **www.modot.mo.gov/safeandsound**.

If you have any questions concerning this change, please contact the Safe and Sound Bridge Improvement Program team via email at: safeandsound@modot.mo.gov
