

St. Louis Missouri Regional Management Team

The Missouri Department of Transportation is committed to providing the public with a safe and modern transportation system. MoDOT designs, builds, and maintains roads and bridges, and works to improve airports, river ports, railroads, public transit systems and pedestrian and bicycle travel. The agency also administers motor carrier and highway safety programs.

St. Louis is one of seven regions that is responsible for administering all department activities for this area. As we focus on our efforts to make the most of every dollar, the St. Louis Missouri Region includes four counties with the district management team shown.

Greg Horn, P.E.
District Engineer
(314) 453-1800
gregory.horn@modot.mo.gov
Greg was named district engineer in November 2013. He frequently leads partnerships and collaborations among private and public entities to improve transportation in the region. Previously, Greg served as project director for the new Mississippi River Bridge.

Tom Blair, P.E.
Assistant District Engineer
(314) 453-1803
thomas.blair@modot.mo.gov
Tom oversees the St. Louis district's maintenance and traffic operations, including the Transportation Management Center (TMC).

Bill Schnell, P.E.
Assistant District Engineer
(314) 453-1802
bill.schnell@modot.mo.gov
Bill is responsible for planning, project delivery, overseeing the design, construction, and right of way program. Previously, Bill served as the area engineer for North St. Louis County for 9 years.

Mollie LeBlanc, SPHR
Assistant to the District Engineer
(314) 453-1804
mollie.leblanc@modot.mo.gov
Mollie works with the district engineer in all facets of management of district operations, including human resources, information systems, risk management, safety and health, support services, fleet, facilities, budget and business plan.

Marie Elliott, M.A.
Customer Relations Manager
(314) 453-1807
marie.elliott@modot.mo.gov
Marie coordinates the St. Louis district's communication, media and customer outreach programs.

Wesley Stephen, AICP
District Planning Manager
(314) 275-1543
wesley.stephen@modot.mo.gov
Wesley is in charge of the district's five year construction and right of way program by identifying and prioritizing projects, balancing the construction budget, short and long term planning and developing public and private partnerships.

Mark Croarkin, P.E.
Bridge Engineer
(314) 453-1763
mark.croarkin@modot.mo.gov
Mark manages maintenance of state bridges and oversees all bridge safety inspections, and helps identify repairs and recommending maintenance, rehabilitation or replacement.

Javal L. Burton
Human Resources Manager
(314) 453-1705
Javal.Burton@modot.mo.gov
Javal oversees all aspects of human resources administration at the district.

Mark Schall
District Information Systems Manager
(314) 453-5001
mark.schall@modot.mo.gov
Mark manages the St. Louis District's automation resources. He ensures coordination, consistency and compliance for internal and external automation technology customers.

Catherine Rispoli
Right of Way Manager
(314) 453-1819
catherine.rispoli@modot.mo.gov
Catherine manages district right-of-way activities including appraisals, negotiations and relocation. She oversees the purchase of property for new projects, the disposal of excess land, and property management.

Becky Allmeroth, P.E., P.T.O.E.
District Maintenance Engineer
(314) 453-1758
rebecca.allmeroth@modot.mo.gov
Becky is responsible for coordination of all roadway maintenance operations in the district, including budget, personnel, and equipment distribution.

Karen Yeomans, P.E.
District Design Engineer
(314) 453-5095
karen.yeomans@modot.mo.gov
Karen manages the district's design, utilities and surveying resources and ensures the production of quality highway designs on time and within budget.

Mike Castro, P.E.
Construction and Materials Engineer
(314) 453-1850
michael.castro@modot.mo.gov
Michael manages the oversight, technical expertise and quality assurance for district construction projects, materials inspections, and geotechnical operations. Previously, Michael worked as the project director for the Page project.

Jeanne Olubogun, P.E.
District Traffic Engineer
(314) 275-1536
jeanne.olubogun@modot.mo.gov
Jeanne plans and coordinates all traffic engineering issues for the St. Louis district, including traffic control devices, signing, marking, signals, permits, and lighting.

Scott Boyer
General Services Manager
(314) 301-1422
scott.boyer@modot.mo.gov
Scott is in charge of equipment management, procurement, product distribution, and facilities management.

Lisa Lamons, M.A.
Safety and Health Manager
(314) 453-5012
lisa.lamons@modot.mo.gov
Lisa coordinates the district's health, environmental, safety, and risk management programs. She is also the district's primary incident response contact for law enforcement.

Roy Shoemaker
Support Services Manager
(314) 453-1712
roy.shoemaker@modot.mo.gov
Roy manages the district's financial services operations, which includes accounts payable, payroll and benefits.

 Cell: (314) 220-6630
 Email:
 thomas.eversjr@modot.mo.gov

Larry Welty, P.E.
 North Area Engineer
 Office: (314) 877-2773
 Cell: (314) 568-7252
 Email:
 lawrence.welty@modot.mo.gov

Judy Wagner, P.E.
 Franklin/Jefferson County
 Area Engineer
 Office: (314) 453-5021
 Cell: (314) 565-5285
 Email: ju-
 dy.wagner@modot.mo.gov

Deanna Venker, P.E.
 St. Louis City Area Engineer
 Office: (314) 877-0118
 Cell: (314) 453-1799
 Email: dean-
 na.venker@modot.mo.gov

Michelle Voegele, P.E.
 Southwest Area Engineer
 Office: (314) 340-4356
 Cell: (314) 565-5281
 Email:
 michelle.voegele@modot.mo.gov

About the St. Louis District:

- Counties: 4
- Population: 1,855,000
- Square Miles: 2,702
- Miles to Maintain: 1,533 centerline miles of state highway

Visit Our Traveler Information Map

MoDOT's Traveler Information Map provides a view of road conditions for major Missouri highways. The map shows work zone locations, flooding information, weather-related road conditions and incidents that affect travel.

Commercial drivers can view information on oversized/over-dimension loads, vertical clearance and commercial zones.

A weather radar image and links to road condition maps for surrounding states are also available on the Traveler Information Map at www.modot.org.
