

Lindbergh Blvd. & Lemay Ferry Rd. Intersection Improvement Project

LEGEND

-  Exit/Entrance to local business
-  Building will be removed to allow for construction
-  No exits/entrances will be allowed
-  Center concrete median
-  Fire Station Note: The Mehlville Fire Station building will close before access is restricted. The fire department is relocating their station.
-  Dual left-turn lanes and dedicated right-turn lanes will be constructed at all approaches of the intersection
